

GUARANTEE FOR THE NON-USE OF CONTROLLED PFOS (perfluorooctane Sulfonate) and PFAS (perfluoroalkyl sulfonate)

Dear Sir / Madam,

We guarantee that all products versions of packing, components, and/or products supplied to Orient Semiconductor Electronics Phils., Inc. (OSEPI) and/or its affiliated companies or designated contractors, either directly by our company or through any third party, are in compliance for the non-use of PFOS (perfluorooctane Sulfonate) and PFAS (perfluoroalkyl sulfonate) or will not contain these substances now and in the future. This letter does not impact our guarantee for its packing, components, and/or products to meet the specifications and all legal requirements of the country of final destination of its packing, components and/or products, if that country is made known to us or reasonably could have been known to us.

Poongsan Microtec Corp. (PSMC) will indemnify and hold Orient Semiconductor Electronics Phils., Inc. (OSEPI) Packages and/or its affiliated companies harmless against any and all actions, claims, damages and/or costs arising out of Poongsan Microtec Corp. (PSMC) infringement of the guarantee under this declaration. We also agree to notify Orient Semiconductor Electronics Phils., Inc. (OSEPI) immediately in writing of any process changes that may effect our compliance to the above restrictions.
